Sing with the Symphony

Our annual performance featuring a new work for audience and orchestra for all ages to join in! The year the theme is Math and student composer, Justine de Saint Mars has written a new piece, *The Mathematician's Patterns*, based on a text of the English mathematician, G. H. Hardy. The program also includes selections from Gerald Finzi's *Clarinet Concerto*, and William Dawson's *Negro Folk Symphony*.

Deborah Bish, Justine de Saint Mars, Michael Hanawalt, Rocky Hanna, Alexander Jiménez, Richard McCullough, Todd Queen, McKenna Stenson, University Symphony Orchestra and FSU choirs: Levana and Chamber Choir

10:30 am – 11:45 am
Ruby Diamond Concert Hall
