Dr. Steven F. Bellenot  
10529 Jimenez  
Lakeview Terrace, California 91342

Dear Professor Bellenot:

Enclosed you will find a U.S. Treasury Check and a NASA Certificate of Recognition. These came to me at the end of April with a note asking me to present them to you. When we attempted to arrange a small presentation ceremony we discovered that you were working in California for the summer so I am sending them to you by mail.

You have my warmest congratulations for your contributions to NASA and for their recognition of your work. I hope your summer in California is productive and enjoyable.

Sincerely,

*Bernie Sliger*  
Bernard F. Sliger  
President
