At the end of the universe lies the beginning of vengeance.

The poster features a central figure, Khan, with long hair and a stern expression, wearing a brown, fringed tunic. He stands with his arms crossed against a fiery, orange and red background. In the background, a group of Klingons in dark robes is visible. In the foreground, the USS Enterprise is shown firing a phaser beam at a Klingon battlecruiser. Other characters, including Spock and Ilia, are also depicted. The title "STAR TREK II THE WRATH OF KHAN" is written in a stylized, metallic font at the bottom, with colorful phaser beams radiating from it.

# FIGHT FIRE WITH FIRE

A movie poster for 'Reign of Fire'. At the top, a dragon's head is shown breathing a massive stream of fire that falls over a city. The city includes a prominent clock tower, likely Big Ben. The sky is filled with fire and several birds are flying. A helicopter is visible in the upper right. The overall color palette is dominated by reds, oranges, and yellows from the fire, set against a dark background.

THEY'RE EXTREMELY INTELLIGENT.  
HIGHLY EVIL.  
AND THEY DON'T LIKE SHARING THE PLANET.
