

# STATISTICS COLLOQUIUM

DEPARTMENT OF STATISTICS  
FLORIDA STATE UNIVERSITY

**Title:** Introduction to X-windows

**Speaker:** Dr. Steven F. Bellenot  
Department of Mathematics  
Florida State University

## ABSTRACT

A gentle introduction to the windowing system named X. A short discussion of windowing systems in general will be given to highlight the strengths and weaknesses of X-windows and SunView. Demonstrations of several X-windows programs and window managers will be the main event. Remaining time, if any will be devoted to the topic of how to customize X.

Thursday, November 8  
3:30 p.m. in Room 001 OSB\*

*\*Refreshments will be served at 3:00 p.m. in Room 210E OSB*
